3. Certificate of GST registration (10 Pts.)
4. Demand Draft (10 Pts)

Evaluation of Financial Bid

After evaluation of the Technical Bid as mentioned above, Financial Bid of only those manufacturing companies would be considered which have obtained cut off scores (minimum of 70) for the Technical bid. After opening of the Financial Bid, the same would be reviewed for error, if any. In case of a discrepancy in quoted amount in figures and words, lower of the two amounts will be taken.

The Financial Bid would be opened in the presence/ absence of representatives of the Firms.

The total point score is 100 out of which 80 points are kept for Technical Bid and the total points for Financial Bid are 20. In evaluation of Financial Bid, maximum number of points i.e., 20 will be allocated to the lowest financial bids i.e. opened and compared among other Firms. All other Financial Bids will receive point in inverse proportion to the cost.

The total score will be obtained by considering the technical and financial bid score. The Firm obtaining the highest score will be invited for negotiations and award of contract. In case the negotiations failed, the next higher Firm will be invited for the purpose.
